Title _____

N.J.S.A. 54:50-38 instructs the Director, Division of Taxation, to notify the purchaser, transferee or assignee of business assets of any possible claim for State taxes. This directive includes all final business tax returns and payment.

Procedure

The estimated tax on the gain portion of the escrow to be held at closing is *initially calculated* by multiplying the gross consideration by the tax rate of the taxpayer.

- ❖ Upon completion of this declaration, submission to and review by the Division, the estimated tax on the gain portion of the escrow *may be reduced* appropriately.

Upon closing of the transaction, the escrow will be held by the **transferee's attorney** and the estimated tax on the gain portion of the escrow will be demanded by the Division to be applied to the appropriate tax type and year. A confirmation of receipt and the application of the estimated tax payment will be sent to the transferor's attorney.

The taxpayer files their year end business tax return, claims credit for the payment and pays any additional tax due. They may request a refund or credit if an overpayment exists.

Specific Line Instructions for Estimated Tax Calculation

Special Note: Lines 1 through 9 establish gain. Line 10 assigns share.

Line 9: For NJ1065 filers: If any member/partner is not an *individual* **or** if the number of nonresident member/partners exceeds five (5) **stop here** and attach the most current membership directory. The Division will calculate and communicate the estimated tax for resident filers and/or withholding amount for nonresident filers.
